# ATTENTION GENERAL PUBLIC

The National Gas Company of Trinidad and Tobago Limited (NGC) will be executing upgrades to the metering station on the Carousel Service Station compound, near the Mon Repos Roundabout, San Fernando. This exercise will involve the isolation and venting of natural gas in a controlled manner, and will result in an interruption in the station's CNG supply.

This activity is scheduled for:

**MONDAY 3rd APRIL, 2017**  
**Between the hours of 10:00 a.m. and 4:00 p.m.**

This routine activity may produce a residual but harmless odour. The activity poses no threat to members of the public and will be monitored by NGC's personnel.

Every effort will be made to minimise the duration of the CNG supply disruption. We apologise in advance for any inconvenience that may be caused.

NGC assures you that all works will be conducted in accordance with NGC's Health, Safety and Environmental policies and procedures, as well as within all applicable codes and standards.

If you have any concerns, please contact:
