## 1.0 INTRODUCTION

The National Gas Company of Trinidad and Tobago Limited (NGC) is a state owned company, established in 1975 to purchase, transport and sell natural gas to the petrochemical, industrial and commercial sectors in Trinidad and Tobago.

NGC is desirous of selling Inventory Spares that are currently held in NGC's inventory in a number of categories.

To this end, the Procurement and Contracts Division on behalf of the Company is seeking to enter into a Sales Agreement with interested Buyers.

## 2.0 CATEGORY OF INVENTORY SPARES

There are several Categories of Inventory Spares, most of which are in their original packaging and are Original Equipment Manufacturer (OEM) Parts.

These categories are listed below for ease of reference; *Refer to Table 1.*
