NOTIFICATION OF STENCILING WORKS

ATTENTION GENERAL PUBLIC

The National Gas Company will be carrying out Stenciling Works to identify the location of its buried pipelines in the areas and times listed below:

9th - 10th November, 2013	8:00 a.m. to 4:00 p.m.	West Bound Lanes of Wrightson Road (Sea Lots) to Audrey Jeffers, West Mall
16th - 17th November, 2013	8:00 a.m. to 4:00 p.m.	West Bound Lanes of Wrightson Road (Sea Lots) to Audrey Jeffers, West Mall
23rd - 24th November, 2013	8:00 a.m. to 4:00 p.m.	East Bound Lanes: Wrightson Road (PowerGen) to Beetham Highway, El Socorro
30th November - 1st December, 2013	8:00 a.m. to 4:00 p.m.	East Bound Lanes: Wrightson Road (PowerGen) to Beetham Highway, El Socorro and the Queen's Park Savannah and environs - from NAPA to Hilton Trinidad & Conference Centre

Works will entail the painting of the roadway.

There will be some traffic restrictions as one of pipelines is located in the centre lanes of Wrightson Road. However, Officers of the Traffic Police Division will be on hand to manage the flow of traffic, and signs and cones will be placed along the roadway to assist in the traffic flow.

NGC is asking all motorists and pedestrians to practise caution when in the vicinity of these works.

NGC wishes to assure the public that all operations will be conducted with public safety as its highest priority and every effort will be made to minimize inconvenience.

**If you have any concerns during the period
of these works, please contact:**
