

**THE NATIONAL GAS COMPANY
OF TRINIDAD AND TOBAGO LIMITED**

PUBLIC NOTICE DISRUPTION TO TRAFFIC

PROVISION OF A SERVICE MAIN AND METERING STATION FOR THE BARATARIA NORTH GOVERNMENT SECONDARY SCHOOL PROJECT

The National Gas Company of Trinidad and Tobago Limited (NGC) will be carrying out in-service welding and hot-tapping works in the vicinity of TRINTRAC Ltd. and Associated Brands Industries Ltd at Bhagoutie Trace, Barataria.

**Construction starts on
Saturday 18th & Sunday 19th January, 2014
and is expected to last 3 hours on both days.**

Hours of work are:

Saturday 7:00 p.m. to 10:00 p.m.

Sunday 7:00 p.m. to 10:00 p.m.

**NB: These works will result in the closure of the
Bhagoutie Trace during the period.**

NGC wishes to assure the public that all operations will be conducted with public safety as our highest priority and every effort will be made to minimize any inconvenience.

**If you have any concerns during the period
of construction, please contact:
NGC'S 24-HOUR EMERGENCY HOTLINE: 800-4427**
