Seven schools compete in various track & field events which, for the first time will have this many sponsors on board to support the community sport at this level.

The State Energy Sector (The Ministry of Energy and Energy Industries, Alutrint Limited, Trinidad Lake Asphalt, National Energy Corporation of Trinidad and Tobago Limited (NEC), The National Gas Company of Trinidad and Tobago (NGC), Petrotrin and Trinidad Generation Unlimited (TGU)) have come together to support the young aspiring athletes in the La Brea Community by hosting and sponsoring the La Brea Zonal Primary School Games.

Many world-class national athletes have been discovered at these games and many more are waiting to be discovered as they vie for the opportunity to represent the La Brea Zone at the St. Patrick's Education District Games in March 2010. The winners of these games will eventually move up the ladder to the National School Championships.

It is expected to be a fun-filled, exciting occasion with events including march Past, High Jump; Long Jump, Discus, Javelin; Shot put; 100m; 200m; 400m; 1500m running; and more! Track & Field Heats and Field events begin on Wednesday 3<sup>rd</sup> February and the Grand Finals will be on 5<sup>th</sup> February.

Come, view and capture this momentous occasion as we look out to see who could be the next Rondel Sorillo of La Brea on Friday 5<sup>th</sup> February for the March Past and Track Finals.
