Attention

RESIDENTS

The National Gas Company of Trinidad and Tobago Limited (NGC) will be conducting a full-scale Emergency Response Drill Exercise along its 24" natural gas pipeline near its Picton Station, Debe.

Details of the planned construction activity are as follows:

Wednesday 14th November, 2018
9:00am – 1:00pm

The drill will involve actual responses from the Trinidad and Tobago Fire Service, Trinidad and Tobago Police Service, Trinidad and Tobago Mutual Aid Scheme and NGC.

In the event of an actual emergency, the drill will stand down and the community will be advised accordingly through the Debe Regional Corporation and Village Councillor.

All works will be conducted in accordance with NGC's Environmental, Safety and Security Policies and Procedures, as well as all applicable codes and standards.

If you have any concerns during this exercise, please contact:
