

Attention General Public

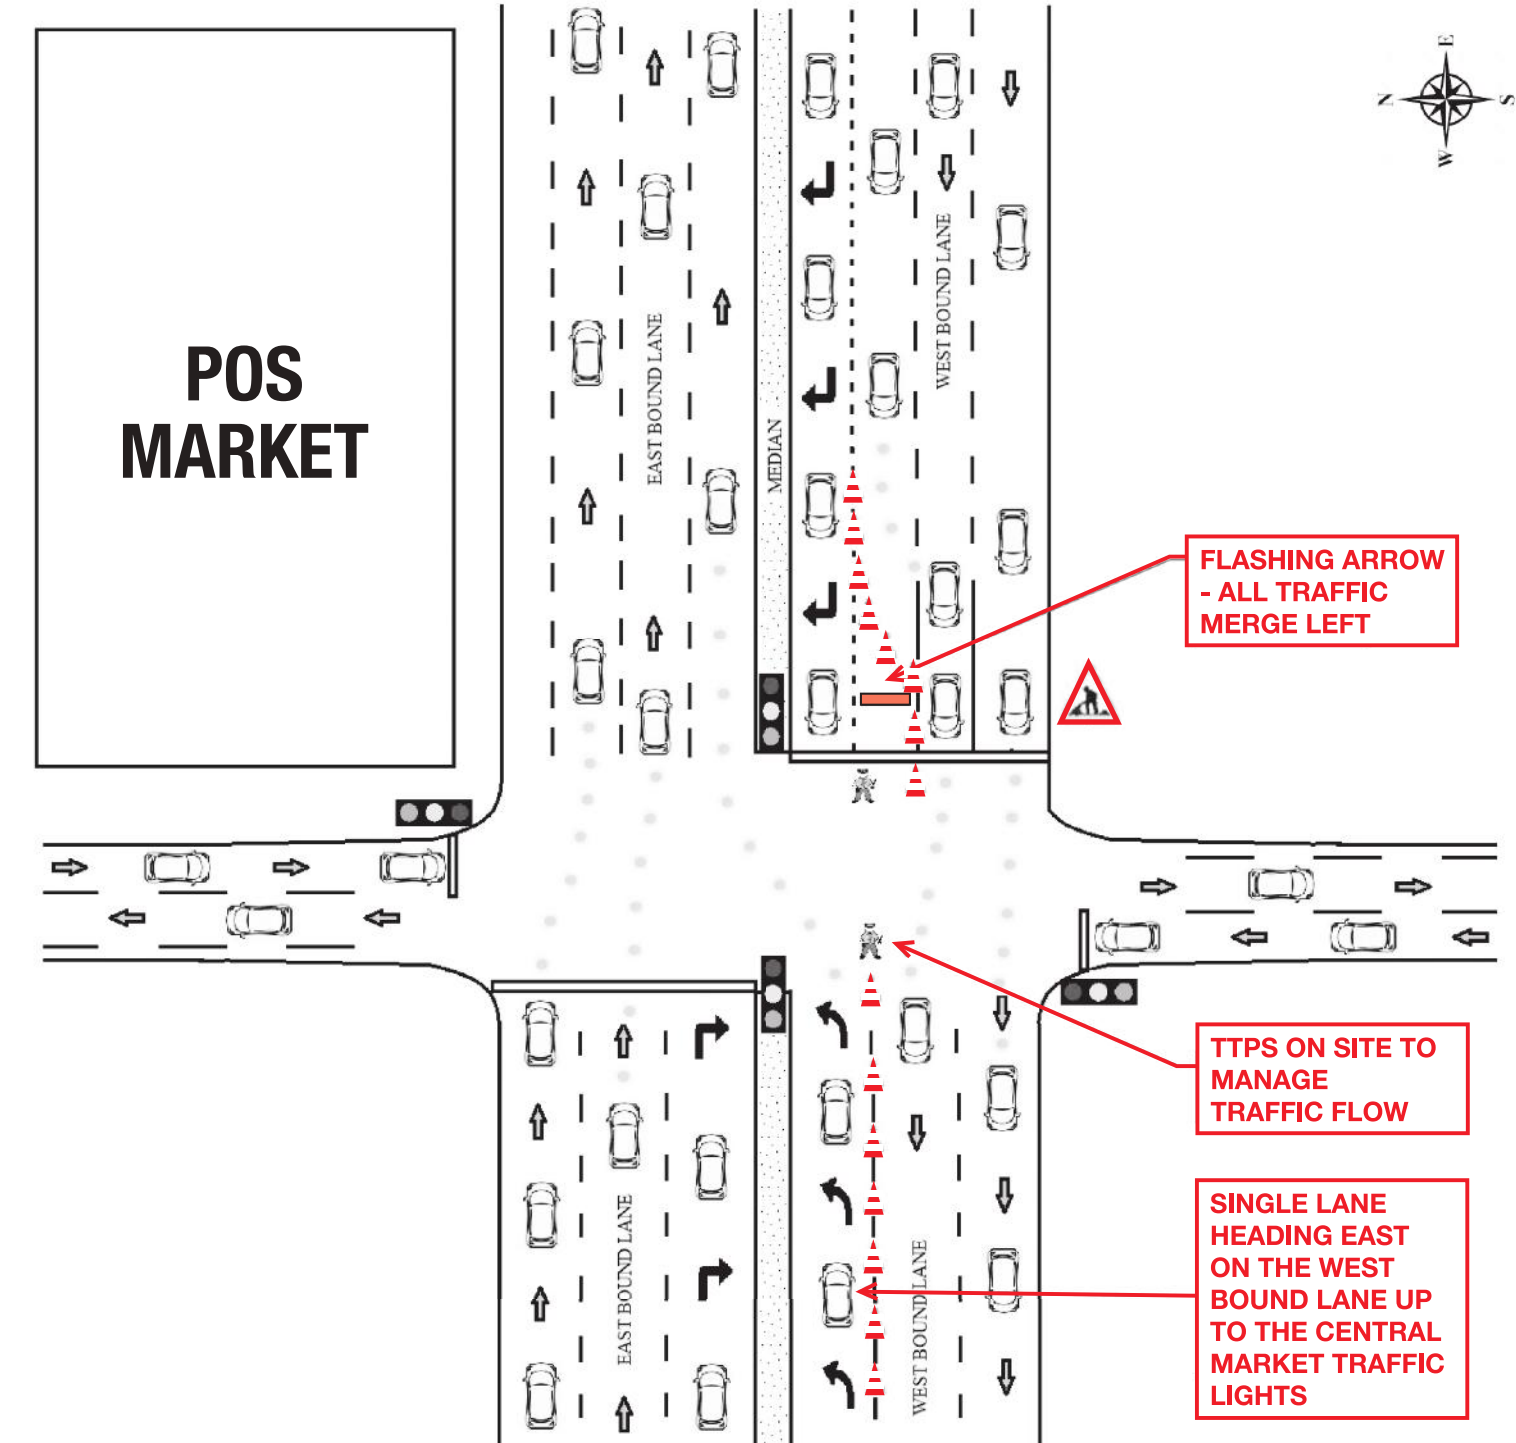

DIVERSION OF A SECTION OF THE 16-inch (16") DIAMETER GAS PIPELINE AT WRIGHTSON ROAD, PORT OF SPAIN

The National Gas Company of Trinidad and Tobago Limited (NGC) will conduct excavation and pipeline construction works on its 16-inch (16") diameter gas pipeline along Wrightson Road, Port of Spain, during the period **6:00pm, April 19th, 2019 to 6:00am, April 22nd, 2019**. It has become necessary to divert the 16" diameter natural gas distribution pipeline in the vicinity of South Quay, Port of Spain, to facilitate drainage works by the Ministry of Works and Infrastructure. NGC is asking all motorists and pedestrians to exercise caution when in the vicinity of the works. Police officers and traffic wardens will be on hand to manage traffic flow. NGC assures the public that all operations will be conducted with the public's safety as its highest priority. **Motorists can use the Lady Young Road or Port of Spain Overpass via Independence Square route to avoid traffic delays.**
