MEDIA RELEASE

August 12, 2020

Trinidad and Tobago COVID-19 (Novel Coronavirus) Update # 393

Port-of-Spain, August 12, 2020: As part of the national drive to safeguard the health of the Trinidad and Tobago population in the face of the global COVID-19 outbreak, the Ministry of Health continues to provide up-to-date information on the country's status in this regard.

The Ministry of Health reminds the population to source your information only from official sources, such as the Ministry of Health or Ministry of Communications.

As of the **afternoon of Wednesday, 12th August, 2020** the Ministry reports the following:

Number of samples submitted to the Caribbean Public Health Agency (CARPHA) and the UWI site for testing for COVID-19	12,122
Number of samples which have tested positive at public and private facilities in Trinidad and Tobago	326
Total number of active cases	179
Number of deaths	8
Number of persons discharged	139

The eighteen (18) positive cases reported below show results from samples taken during the period August 5th, 2020 to present. Therefore, this figure is NOT representative of the positive cases over the last 24 hours only.

The Ministry of Health provides the following update:

- Eighteen (18) additional persons have tested positive for COVID -19.
 - Three (3) are persons who tested positive at private labs
 - Five (5) are contacts of recently positive COVID-19 cases
 - Ten (10) are pending epidemiological investigation.

All established protocols have been implemented.

Members of the public are reminded that they must adhere to the 'New Normal' recommendations and take the following personal health measures to protect themselves and their loved ones from COVID-19:

- Wear a mask over your nose and mouth when you go out in public
- Keep your distance from others (6 feet)
- Stay home if you are ill
- Clean then sanitize surfaces (e.g. tabletops, door knobs and cell phones)
- Wash your hands often with soap and water or use an alcohol-based hand sanitizer
- Cough into a tissue or into the crook of your elbow
- Avoid touching your face

If you or a loved one develops symptoms of COVID-19, please call the hotline 877-WELL or 800-WELL (9355) for further guidance. If the person is severely ill, call the 811 (emergency hotline) or call ahead to the Accident and Emergency Department of your nearest hospital for help and go in immediately.

The Government of Trinidad and Tobago will continue to update the public via its official communication channels such as the Ministry of Health's website (health.gov.tt), the Ministry of Communications Websites (moc.gov.tt and news.gov.tt) and the relevant social media pages of these entities (Facebook, Twitter and Instagram).
