The Ministry of Health provides the following update:

The Ministry of Health regrets to inform the public that there are two additional COVID-19 related deaths. The persons are an elderly female with co-morbidities and an adult male. This brings the total number of COVID-19 related deaths to 45.

- Seventy-nine (79) additional persons have tested positive for COVID -19.

It should be noted that, of the seventy-nine (79) COVID-19 positive cases reported, seven (7) of these refer to persons who were housed at the Police Training Academy and have not been in circulation within the national community. These individuals will be transferred to a public health facility for relevant medical care. All established protocols have been implemented.

The seventy-nine (79) positive cases reported above show results from samples taken during the period August 31st to September 10th, 2020. Therefore, this figure is NOT representative of the positive cases over the last 24 hours only.

- Seven (7) persons have been discharged.

COVID-19 Positive Patients in Hospital – (109)

One thousand six hundred and sixty-three (1,663) patients have been home isolated under the continuous monitoring of the respective County Medical Officer Health (CMOH) offices.

Seventy - nine (79) new patients will be processed for admission at the discretion of the CMOHs.

Couva Hospital and Multi-Training Facility	79 6 (ICU) 5(HDU)

UWI, Debe	5
UWI, Canada hall	44
UWI, Freedom hall	70
NAPA	0

Intensive Care Units (ICUs) are hospital wards that provide treatment for people who are very ill. They are staffed with health care professionals who are trained in ICU treatment and the use of sophisticated monitoring equipment.

High Dependency Units (HDUs) are wards for people who need more observation, treatment and nursing care than is possible in a general ward but slightly less than that given in an Intensive Care Unit.

An Ambulatory Patient is able to walk about and is not bedridden.

If you or a loved one develops symptoms of COVID-19, please call the hotline 877-WELL or 800-WELL (9355) for further guidance. If the person is severely ill, call the 811 (emergency hotline) or call ahead to the Accident and Emergency Department of your nearest hospital for help and go in immediately.

The Government of Trinidad and Tobago will continue to update the public via its official communication channels such as the Ministry of Health's website (health.gov.tt), the Ministry of Communications Websites (moc.gov.tt and news.gov.tt) and the relevant social media pages of these entities (Facebook, Twitter and Instagram).
