The Ministry of Health provides the following update:

- 42 additional persons have tested positive for COVID -19.

The 42 positive cases reported shows results from samples taken during the period September 4th to September 14th, 2020. Therefore, this figure is NOT representative of the positive cases over the last 24 hours only. All established protocols have been implemented.

- The Ministry of Health regrets to inform the public that there is an additional COVID-19 related death. The person is an elderly female, with co-morbidities. This brings the total number of COVID-19 related deaths to 56.
- 11 persons have been discharged.

COVID-19 Positive Patients in Hospital – (100)

(2061) patients have been home isolated under the continuous monitoring of the respective County Medical Officer Health (CMOH) offices.

(42) new patients will be processed for admission at the discretion of the CMOHs.

UWI, Debe	5
UWI, Canada hall	50
UWI, Freedom hall	71
NAPA	0

Intensive Care Units (ICUs) are hospital wards that provide treatment for people who are very ill. They are staffed with health care professionals who are trained in ICU treatment and the use of sophisticated monitoring equipment.

High Dependency Units (HDUs) are wards for people who need more observation, treatment and nursing care than is possible in a general ward but slightly less than that given in an Intensive Care Unit.

An Ambulatory Patient is able to walk about and is not bedridden.

If you or a loved one develops symptoms of COVID-19, please call the hotline 877-WELL or 800-WELL (9355) for further guidance. If the person is severely ill, call the 811 (emergency hotline) or call ahead to the Accident and Emergency Department of your nearest hospital for help and go in immediately.

The Government of Trinidad and Tobago will continue to update the public via its official communication channels such as the Ministry of Health's website (health.gov.tt), the Ministry of Communications Websites (moc.gov.tt and news.gov.tt) and the relevant social media pages of these entities (Facebook, Twitter and Instagram).
