Trinidad and Tobago Novel Coronavirus (COVID-19) Update #503

Port-of-Spain, October 6, 2020: As part of the national drive to safeguard the health of the Trinidad and Tobago population in the face of the global COVID-19 outbreak, the Ministry of Health continues to provide up-to-date information on the country's status. The population is reminded to rely on information from official sources only, such as the Ministry of Health.

As of the **afternoon of Tuesday 6th October, 2020** the Ministry reports the following:

Number of samples submitted to the Caribbean Public Health Agency (CARPHA), the UWI and other local sites for testing for COVID-19	32,704
Number of samples which have tested positive at public and private facilities in Trinidad and Tobago	4,846
Total number of active cases	1,812
Number of deaths	83
Number of persons discharged from public health facilities	1,107
Number of recovered community cases	1,844

The Ministry of Health provides the following update:

- 28 additional person has tested positive for COVID-19
