Additional COVID-19 (Novel Coronavirus) Information for Update #543

The Ministry of Health provides the following additional information:

- 97 additional persons have tested positive for COVID -19.
- 7 persons have been discharged from public health facilities.
- There have been 23 additional recovered community cases.
Recovered community cases refer to persons who were previously COVID-19 positive and in self-isolation at home and subsequently met the discharge criteria and were released from self-isolation.
- The Ministry of Health regrets to inform the public that there has been one additional COVID-19 related death. The person is a male with pre-existing medical conditions. The brings the total number of COVID-19 related deaths to 112.
