Additional COVID-19 (Novel Coronavirus) Information for Update #556

The Ministry of Health provides the following additional information:

- 16 additional persons have tested positive for COVID -19.
These new patients will be processed for admission at the discretion of the CMOHs.
- 8 persons have been discharged from public health facilities.
- There have been 22 recovered community cases.
Recovered community cases refer to persons who were previously COVID-19 positive and in self-isolation at home and subsequently met the discharge criteria and were released from self-isolation.
- The Ministry of Health regrets to inform the public that there have been two (2) additional COVID-19 related deaths. The persons are an elderly female and an elderly male, both with pre-existing medical conditions. This brings the total number of COVID-19 related deaths to 118.
