Additional COVID-19 (Novel Coronavirus) Information for Update #558

The Ministry of Health provides the following additional information:

- 30 additional persons have tested positive for COVID-19.
- There have been 12 recovered community cases.
Recovered community cases refer to persons who were previously COVID-19 positive and in self-isolation at home and subsequently met the discharge criteria and were released from self-isolation.
- The Ministry of Health regrets to inform the public that there have been two (2) additional COVID-19 related deaths. The persons are an elderly female and an elderly male, both with pre-existing medical conditions. This brings the total number of COVID-19 related deaths to 120.
