

**We continue to operate as a profitable state enterprise.**  
The NGC Group revenues surpassed **TT\$17 billion** in 2021, with approximately **TT\$330 million** in dividends paid to government.

**We support local.**  
**83%** of our expenditure in 2021 was directed to local suppliers, representing a strong local content contribution.

**We are building a cleaner transportation sector through CNG.**  
In 2021, we partnered with National Petroleum Marketing Company (NP) to open the 11<sup>th</sup> public CNG service station – the country’s largest and first solar-powered – at the Preysal roundabout in Central Trinidad. 2021 was the highest grossing year for CNG sales, with over **1,500** new CNG vehicles on the road and sales volumes **24%** higher than 2020.

**We continue to invest in our creative industries.**  
In 2021, NGC marked **10 years** as the title sponsor of the NGC Bocas Lit Fest, one of our longest running social investment initiatives.

# SUPPORTING NATIONAL DEVELOPMENT

**We are exploring ways to support local agriculture and build food and nutrition security.**

**We are evolving our CSR programme to meet the needs of our partners.**  
We undertook a digitisation of sport initiative in partnership with the Youth Training and Employment Partnership Programme (YTEPP) and Sport for Life of Canada, to support athlete development on digital platforms during the pandemic lockdown.

**We are empowering our communities through capacity-building programmes.**  
In 2021, over 200 citizens benefited from training initiatives, which included:

- Music literacy training for NGC-sponsored steelbands
- Youth leadership development
- NGC/MIC pan manufacturing and tuning programme
- Leadership and management development
- Digital literacy and life skills training
