

NGC's CSR Contributions Portal – How to Apply for Contributions

As a responsible state entity and a good corporate citizen, Corporate Social Responsibility (CSR) is part of NGC's Core Values.

NGC strives to be a leader and innovator in the field of CSR and believe in adding value to Trinidad and Tobago in a way that builds stakeholder and shareholder value. Our support has ranged from developing programmes, to partnering with and sponsoring the initiatives of **non-governmental and community-based organisations** through grants and contributions.

Applications for contributions are accepted via our online system to reduce the use of paper and the carbon footprint. The portal's objective is to simplify the contributions application procedure.
