

INNOVATIVE MINDS WILL POWER THE FUTURE OF ENERGY

NGC has pioneered a world-class model for energy prosperity, spearheading the value maximisation of our local natural gas sector.

NGC Undergraduate Programme 2026 - “Pipeline to Success”

- **NGC Undergraduate Intern (14461)**

Programme Duration: Monday 29th June - Friday 14th August 2026

Target Group: Nationals of Trinidad and Tobago who are pursuing post-secondary education or training and are not in their final year of study.

Age Group: 18-28

The programme provides the interns with opportunities to:

- Gain hands-on experience aligned with their field of study where possible
- Understand the company's operations through targeted site visits for applicable disciplines
- Benefit from guidance from an assigned internal Mentor
- Bridge theory with practice by supporting ongoing projects
- Provide technical/administrative and operational support in all areas of the company

The programme incorporates talent development initiatives which expose students to real-world business operations and foster early engagement with potential future employees.

Developmental sessions include:

- NGC Operations
- Financial Planning
- Energy Conservation and Sustainability
- Mock Interviews/Resume Writing
- Conflict Resolution

Interested candidates are required to apply online via the Careers tab at www.ngc.co.tt where further job details are posted. New candidates will be required to create a Candidate Profile Account by clicking the 'View Jobs' button.

Closing date for applications: **Monday 8th June 2026**
