

Attention Residents and Motorists of La Brea and Tenants of La Brea Industrial Estate

The National Gas Company of Trinidad and Tobago (NGC) is conducting construction works for the Natural Gas Distribution Main to the La Brea Industrial Estate in the vicinity of the La Brea Roundabout.

Construction of the 8" diameter pipeline across the Southern Main Road at the La Brea Roundabout will start on:

**Saturday July 9 to
Tuesday July 12, 2011**

Pedestrians and motorists are urged to exercise extreme caution when approaching the area during this time. Traffic police and wardens will be on hand to manage the flow of traffic as necessary.

NGC assures that every effort will be made to minimize the impact on your daily routine and that these activities, as with all our operations, will be undertaken with your safety as our highest priority.

If you have concerns during these activities please contact:
