

# Attention General Public and Motorists using: 100 Acres Road and Cumuto Road Tamana, Wallerfield

The National Gas Company (NGC) will be constructing a natural gas metering facility and 1.2 km of 4”/2” diameter natural gas service main to Trincarb Limited, 2 ¼ MM along 100 Acres Road, Tamana, Wallerfield.

**Commencement: 24th October, 2011**  
**Days of Work: Monday to Saturday**  
**Hours of Work: 7am to 5pm**

Construction would be taking place within the In-Tech Park, and along Cumuto Road and 100 Acres Road.

Therefore, NGC is asking all motorists and pedestrians to practice caution when in the area.

Police officers and traffic wardens will be on hand.

NGC wishes to assure the public all operations will be conducted with public safety as our highest priority.

NGC apologizes for any inconvenience caused. If there are any concerns during this period of construction, please contact the NGC Control Operator or 800-4Gas (4427).
