

Attention Tertiary Level Students!

The National Gas Company of Trinidad and Tobago Limited (NGC) in partnership with The University of Trinidad and Tobago (UTT) invites you to participate in a FREE 3-DAY NATURAL GAS WORKSHOP.

The Workshop, with identical course outlines, will be held on the following dates:

- Workshop 1: 21st - 23rd July, 2015
- Workshop 2: 28th - 30th July, 2015
- Workshop 3: 11th - 13th August, 2015
- Workshop 4: 18th - 20th August, 2015

The sessions will run from 8 a.m. to 4 p.m. at:
The Employee Centre, NGC's Head Office, Orinoco Drive, Point Lisas Industrial Estate.

Application deadline -14th July, 2015. Successful registrants will be required to pay a \$100 fee, which will be refunded at the end of each session.

What will you learn at this workshop?

- Structure, history and role of the natural gas industry of Trinidad and Tobago
- Introduction to hydrocarbons and energy science
- The natural gas value chain: upstream, midstream and downstream
- Environment and safety in the natural gas sector
- The legal, financial and regulatory framework of the natural gas sector
- Corporate social responsibility

There will also be guided tours of the Point Lisas Industrial Estate and other points of interest.

A certificate of participation will be issued to all those who have completed the workshop and field trip.

Who is eligible to participate?

You must be currently enrolled in an undergraduate degree programme (at the Bachelor level) at a recognized tertiary level institution to participate. You must have completed at least the first year in your programme. Preference will be given to the third/final year students.

How can you apply?

Fill out the online application form available on NGC's website www.ngc.co.tt/naturalgasworkshops with your contact details and choose one of the four sessions that best fits your schedule.

Successful applicants will be notified via email, and will be required to reply and confirm their attendance two days before the start of their respective sessions.
