

Minister of Energy receives 2012 Trinidad and Tobago Energy Map

The Trinidad and Tobago Energy Map, 2012 edition, which indicates the location of the major gas pipelines, ports, industrial sites and production and exploration acreage in Trinidad and Tobago, has been published. A framed copy of the map, which will be on permanent display at the Ministry of Energy and Energy Affairs, was recently presented to Minister of Energy and Energy Affairs, Senator, the Hon. Kevin Ramnarine.

Production of the map was sponsored by The National Gas Company of Trinidad and Tobago Limited, BG Trinidad and Tobago, BHP Billiton Trinidad and Tobago and Phoenix Park Gas Processors Limited. The map can be viewed online on the Ministry of Energy's website - energy.gov.tt.
