PRESS RELEASE

Launch of TTCB Youth Academy

The National Gas Company of Trinidad & Tobago (NGC) and the Trinidad & Tobago Cricket Board (TTCB) are proud to have launched the TTCB youth cricket academy.

The launch took place on September 26 at the TTCB headquarters in Couva.

The academy is an initiative of Ultimate Powerplay partnership between the TTCB and NGC, aimed at youth development through cricket.

The academy will facilitate 20 cricketers aged 17 to 23. It will run for three months, starting September 2012. The programme, which will be broken into modules, seeks to ensure all-round players and will include lectures on Physical Preparation and Training Fundamentals; Nutrition; Time and Money Management; Nutrition; Environmental Awareness and Cricket Heritage.

NGC is honoured to support the development of our nation's young athletes. It is our hope that the TTCB cricket academy will help foster exceptional cricket players, who will ensure Trinidad and Tobago's cricket dominance in region.

As a part of our commitment to creating a more prosperous future for our country, NGC will continue to provide pathways for success for our youth and nation on a whole.
